

Taste Living comes to InBond

InBond TASTE success. A North East Warehousing and Logistics provider has recently gained a contract with the Kitchenware Company, Taste Living. Taste Living are a UK re-seller of the BergHOFF range and they have chosen InBond Ltd to control the full logistics side of the business. This includes storage; pick pack and home delivery to the end customer. Taste pride themselves on “affordable quality design” and the Taste promise is to deliver practical, environmentally-friendly and quality design at affordable prices, which InBond embraces.

Jack Buskiewicz, Director at Taste Living said: “After visiting 24 other warehouse and storage providers throughout the UK, many of which are major players, Taste Living chose InBond as their warehouse/pick-and-pack facility.

InBond have been a pleasure to deal with from the start and demonstrated vast experience in warehouse provision.

The service and facilities at InBond are outstanding – our online store integrates with the InBond warehouse system and has run smoothly from the outset, thanks to their highly professional and hardworking IT team.

Not only do they have the great expertise in their field of warehousing/pick & pack but they also carry a friendly, professional and very responsive customer service focus. At Taste Living we find ourselves very lucky to have found InBond – they truly are the full package”.
